

EARLY ACCESS PROGRAM – PANELS ONLY

The BioFire **Early Access Program (EAP) – Panel Only** is for existing customers with instrumentation who want to evaluate another panel they are not running (RPEZ, RP2, BCID, GI, ME, Pneumonia) free of charge.

- In return for the use of the Panel, the institution is to provide feedback to you on the experience with the Panel and its performance.
- Limited up to 1 panel.
- All FDA-cleared panels eligible.
- All Panel-Only EAP's will require approval from your RSD.
- Once request form from the Sales Manager Portal (salesmanagerportal.biofire.com) has been completed, contract will be sent to you to have institution sign.

IMPORTANT!

Note: BioFire will be obligated to report this transaction to CMS in accordance with the Physician Open Payments Act

*****It is your responsibility to inform the customer in advance.*****
