 - 1 BioFire® FilmArray® Gastrointestinal (GI) Panel Kit
 - 1 BioFire® FilmArray® Pneumonia Panel Kit
 - 1 BioFire® FilmArray® Blood Culture Identification (BCID) Panel Kit
 - 1 BioFire® FilmArray® Meningitis/Encephalitis (ME) Panel Kit

RULES & RESTRICTIONS

- This program is for prospective customers only, and is **NOT** available for current customers.
- The prospective customer is responsible for the cost of controls, supplemental materials, and additional pouches.
- The prospective customer must purchase reagent kits to be reimbursed. They will **NOT** be reimbursed for the evaluation / no-charge kits through the POC EAP program.
- The prospective customer will have a period of forty five (45) days to evaluate the system. The time period will begin on the day of shipment to the facility.
- Each POC Specialist will be allotted a total of five (5) analyzers.
- All POC EAP's will require approval from your RSD.
- Should the customer wish to return the system; the Sales Manager will work with Customer Support (support@biofiredx.com). The customer is advised to retain shipping materials (boxes and foam) in the event of a return.

IMPORTANT!

Any POC EAP Agreement over 90 days will be reported to the Centers for Medicare & Medicaid Services (CMS) and this information will be made public.

*****IT IS YOUR RESPONSIBILITY TO INFORM THE CUSTOMER IN ADVANCE.*****

If one of your customers is interested in evaluating the BioFire 2.0 w/ EZ Configuration, BioFire 2.0 with Computer Kit, and BioFire Torch in their facility, simply fill out the **required** fields on the form marked with an asterisk (*) and submit the form on the Sales Manager Portal (SMP) (salesmanagerportal.biofire.com) to start the process.
