

POC Fuse Box Program Outline

This program allows for Point of Care (POC) Specialists to provide certain items related to the BioFire® FilmArray® System free of charge to particular institutions within their respective territories. The program is designed to assist sales managers with items that may help in retaining existing business due to problematic circumstances that BioFire is otherwise unable to resolve.

All orders for this program are to be placed through the Sales Manager Portal (www.salesmanagerportal.com). If any order exceeds your account balance please reach out to your regional director for approval before submitting an order form. Should you have any issues or questions regarding the Fuse Box Program or your account balance/summary please reach out to the Marketing Assistants. If you feel that your balance is incorrect or find any error or issue with the order form or program outline please let us know. Please see below for additional information:
